WARRANT FOR ANNUAL TOWN MEETING

THE STATE OF NEW HAMPSHIRE

(L. S.)

To the Inhabitants of the Town of Canterbury in the County of Merrimack, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Canterbury, on Tuesday, the ninth day of March, next, at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see if the Town will vote to give the Selectmen authority to borrow money in anticipation of taxes.

4. To see if the Town will vote to allow town officers mileage for town work and set the rate of mileage. Such mileage to be approved by the Selectmen.

5. To see if the Town will vote to raise and appropriate the sum of \$400.00 for Blister Rust Control.

6. To see if the Town will vote to accept Town Road Aid, with the Town's share to be \$778.97 and the State's share to be \$3,115.88; and raise and appropriate the necessary amount.

7. To see if the Town will vote to raise and appropriate the sum of \$150.00 for War Emergency.

8. To see if the Town will vote to raise and appropriate the sum of \$200.00 for repairs to the outside of the Town Hall.

9. To see if the Town will vote to elect instead of appoint police officers.

10. To transact any other business that may legally come before the meeting.

Given under our hands and seal, this twentieth day of February in the year of our Lord nineteen hundred and forty-three.

HERMAN R. COLBY,
ARTHUR L. ROGERS,
ARTHUR G. BROWN,
Selectmen of Canterbury.

A true copy of Warrant—Attest:

HERMAN R. COLBY,
ARTHUR L. ROGERS,
ARTHUR G. BROWN,
Selectmen of Canterbury.

AUDITOR'S REPORT

February 11, 1943.

The undersigned chosen to audit the accounts of the Town Clerk, Town Treasurer, Selectmen, Tax Collector, Trustees of Trust Funds and Trustees of Public Library for the year ending January 31, 1943, report that I found said accounts correctly cast and properly vouched.

Signed, JOHN R. WENTWORTH, *Auditor.*

AUDITOR'S REPORT

I have examined the records of the Town Treasurer, Town Clerk, Tax Collector, Road Agent, Trust Fund Trustees, Library Trustees, and Selectmen, and find their accounts to be properly vouched and correctly cast except as follows: The Selectmen have a separate account in which the income from both the Lake Trust Fund and the Lake Homestead is kept. As the Lake Homestead belongs to the Town, the accumulated income from it, and all future income from it, should be turned into the Town's general fund. Thereafter, the Selectmen's Lake account will contain only the income from the Lake Trust Fund.

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the School District of the Town of Canterbury qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on April 3, 1943, at 1:30 P. M. to act upon the following subjects:

1. To choose a Moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board to serve for three years to fill the vacancy arising from the expiration of the term of office of Cecil E. Stewart.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the school board and truant officers, and fix the compensation of any other officers or agents of the district.
6. To hear the report of Agents, Auditors, Committees, or officers heretofore chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors, and Committees in relation to any subject embraced in this warrant.
8. To see if the district will vote to make any alteration in the amount of money required to be assessed for the coming year for the support of public schools and the payment of the statutory obligations of the district, as determined by the school board.
9. To see if the district will vote to authorize the school board to pay a rate of tuition in high schools in excess of the state average cost of instruction.

10. To see if the district will vote to hold its 1944 and subsequent meetings on the afternoon of town meeting day starting at 3:00 P. M.

11. To transact any other business that may legally come before this meeting.

Given under our hands at said Canterbury this seventh day of January, 1943.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

*To the Members of the School Board, Parents and Voters
of the Canterbury School District:*

Since our last report, the War has been very much with us. Upon teachers has fallen the additional work of promoting the various rationing and educational campaigns of the Federal Government. The pupils have participated in drives to purchase War Stamps and Bonds, collect scrap materials, and to conserve materials and health. These activities are supplementary to our regular work, our primary task of educating boys and girls.

In this report, we shall attempt to show the changes in our personnel and school programs during the year.

GRADUATION

Due to the limitations of gasoline rationing the graduates in the five schools received their diplomas at exercises held at each building rather than at evening graduation exercises. The following were graduated in June 1942:

Blanchard School

George Henry Greenwood
Jean Eleanor Pettes

Center School

Raymond Edgar Littlefield

Carter School

Eva Alice Colby
Iva Gertrude Colby
Mary Ellen Fife

Kezer School

John Doubleday

Uplands School

Madeline G. Finley

Harriet Elizabeth MacDonald

TEACHERS

There have been several changes in personnel since last year. Mrs. Ida L. Tenney accepted a position in Boscawen,

near her home, and Mrs. Agnes D. Shaw of Salisbury, an experienced rural school teacher, was secured to teach the large number of pupils enrolled at the Blanchard School.

Miss Catherine E. Curran, a member of the teaching staff for several years, was offered a place in the Franklin School system. Mrs. Alice T. Michelin, who has served two years at Uplands, was transferred to the Carter School.

Mrs. Bernice N. Crockett did not seek reappointment. Miss Vera L. Favor, for several years a successful teacher at the Oak Hill School in Northfield, accepted the position at the Center School following the closing of the Oak Hill School.

Miss Helen L. McCarthy who has been teaching in Canterbury for several years, entered another type of work, so her place at the Kezer School was taken by Miss Irene A. Cusano of Concord, recent Keene Teachers' College graduate.

With the transfer of Mrs. Michelin from the Uplands School to the Carter, an opening occurred which was filled by the appointment of Mrs. Ethel Page Cushing, a graduate of the Plymouth Teachers' College.

CHANGES IN BUILDINGS AND GROUNDS

The interiors of the Center and Uplands schools have been badly in need of redecorating for a considerable period. This work was done in August, adding much to the appearance and lightness of the two school rooms.

The chimney at the Center School was topped out.

Minor repairs were made to other buildings.

To assist the applicants during the several rationing programs, teachers and townspeople have taken an active part. To all, the school officials express their gratitude for the spirit in and the efficiency with which the work has been done.

Scrap Drive

The pupils have collected many kinds of scrap and have tried to win the honor of naming a Liberty Ship. The pupils at the Blanchard and Carter schools secured the largest collections of scrap but in neither case was the amount sufficient to win State honors.

	Estimated Pounds	Approx. Pounds Per Pupil
Blanchard School	24,000	850

Kezer School	16	32.85	
Uplands,	11	43.35	25.00

Air Raid Shelters

Without heavy expense, there can be no absolutely safe place provided for children during an air raid. Few Air Raid Precautions measures have been taken because of the scattered location of the five school buildings.

Fingerprinting

The State Council of Defense urged school officials to have fingerprints of pupils taken and filed in the State Bureau of Identification. During the latter part of the last school year, nearly all pupils recorded their prints on cards completed by a member of the State Police.

Hot Lunch Program

Canterbury has operated a very successful hot lunch program for the pupils in three or four of the schools for more than one school year. It is one of the few systems in which rural school pupils are fed from a central kitchen. Because of its efficient management, it has gained quite a reputation in this region.

During the summer, the Ladies' Aid Society renovated the Vestry kitchen, making it into a very pretty and handy unit. A new stove was put in and altogether, it is extremely serviceable.

To provide food for the children in addition to that from the Surplus Commodities Distribution, a school garden was planted last May and cared for during the summer. Canning was done under Mrs. Beatrice Pettes' direction. The whole enterprise has been very successful. Following is a report on that project.

VICTORY GARDEN REPORT

CANTERBURY BELLES

November 30, 1942.

On May 9, 1942, eighteen girls and six boys turned out to plant the 4-H Garden on Mr. Raymond Glines' farm. The land was in excellent condition, having been plowed, harrowed, and fertilized with barnyard manure.

The garden was 300 ft. long and 63 ft. wide (.43 A.).

We planted:

World Record Peas	10 lbs.
Chantenay Carrots	2 oz.
Detroit Dark Red Beets	4 oz.
Hollow Crown Parsnips	2 oz.
Rutabaga	2 oz.
Broccoli	2 oz.
Cabbage	2 oz.
Green Mountain Potatoes	200 lbs.
Onion Sets	2 lbs.
Tomato Plants	200
Green and Yellow Beans	

Mr. Glines gave his time and the use of his horse to plant and cultivate the garden. The weeding was all done by hand, also thinning and hoeing in the rows.

Commercial fertilizer was applied at planting time.

Cost of the project:

6 gross fruit jars	\$62.10
Seed, fertilizer, potatoes	18.00
Labor on potatoes	15.00
	\$95.10

The yield was as follows:

50 bu. potatoes	@ \$1.25 per bu.	\$62.50
31 bu. carrots	@ \$1.00 per bu.	31.00
5 bu. beets	@ \$1.00 per bu.	5.00

20 bu. parsnips (est.)	@ \$1.00	20.00
½ bu. onions		1.00
Canned: Beans, shell beans, peas, tomatoes,		
greens, beets, corn, relish, chili sauce,		
mincemeat, applesauce, prunes, 700 qts. @ 25c. 175.00		

\$294.50

Everything is stored now ready for the winter lunches. All these vegetables and canned things are used in the hot lunches prepared for the school children in the town schools. It is a tremendous help having these vegetables to use. It has been a hard summer's work, but well worth the effort involved. We especially want to thank Mr. Glines for his generous help in the whole project. He not only gave us the use of his land, but devoted a good deal of time to helping with his horse and doing a lot of the heavy work. Without his help, it is doubtful if the results would have been so successful.

MRS. BEATRICE PETTES.

During the fall of 1942, lunches are again being provided for the pupils at the Blanchard, Carter and Center schools. When transportation is available, those at the Kezer School will be served. Due to the increased cost of food, it has been necessary to raise the price from 5c. to 6c. a meal, or 30c. a school week for substantial servings.

SCHOOL TRANSPORTATION

The OPA (Office of Price Administration), through the program of gasoline rationing, had some authority over school transportation routes and issued instructions last June. In August, school officials were required to submit detailed information on the proposed school bus routes for September before contracts would be approved for Rationing Boards to give permits for extra gasoline and for tires.

Air-mindedness

The present years might be termed: "air years". We are living in an "age" when people are becoming "air-conscious". The years in which pupils now in school will pass their adulthood will be "air" years. The work of transportation in large measure may be done by air. Control of the world, if such ever comes, may be accomplished by strategically placed aircraft. The schools will be training mechanics, giving pre-flight instruction and aircraft management and offering glider training. Our school subjects will be affected materially in content by this "air age."

Problems in Everyday Living

Strength of mind and good mental health, strength of body and good physical health are important these days. Strength of character and of willpower, strength of soul and of spirit dominates all. Intensity of desire for co-operation, for freedom, for liberty, for unity, for Christian love and understanding build a strong people capable of assisting oppressed populations around the world to regain their standard of living after the present international conflict ends.

Conclusion

You will notice reports on Music by Miss Ruth F. Sawyer and on Health by Miss Ruth B. Whitcomb. These two reports merit your careful reading.

In submitting this third annual report, I wish to commend the parents for their hearty cooperation with the school teachers and officials, the School Board members for their

interest in and support of school matters, the teachers for their industry and achievement, the Supervisor for her fine work in Music, and the Nurse for her attention to the health of children.

Respectfully submitted,

DONALD P. MATTOON.

REPORT OF THE MUSIC SUPERVISOR

To Mr. Donald P. Mattoon, Superintendent of Schools:

The music supervisor visits all the Canterbury schools on the same day on a schedule which allows for satisfactory class instruction in each building. The class periods are divided roughly into three parts: two song periods, one for the younger pupils and one for the older ones, and a listening period for the whole group.

The song period for the younger group emphasizes matching tones and learning a large number of rote songs. The older pupils learn some music fundamentals and a little sight singing in addition to more advanced rote songs. The period with the phonograph may be quiet listening, the study of musical form, recognition of orchestral instruments, or rhythmic responses, such as marching.

The tonette classes which were begun last year have been continued in some of the schools, particularly in the Uplands School, where all six second and third graders have purchased instruments and begun lessons. The tonette has definitely proved its worth as a melody instrument and as an interesting way of learning note reading and meter and time problems.

If recordings of the group singing could have been made in September, 1941 and again in December, 1942, they would show how much progress the pupils have made with their teachers. The classroom teachers are responsible for much of the improvement. The supervisor organizes and directs the activities, gives instruction one period a week, and assists the teachers in achieving the general and specific aims set up for the groups.

The aims of the music program do not end with the ability to sing a succession of correct tones, but look toward the

development of real enjoyment and a lasting appreciation of beauty which will carry over into all phases of the child's activity. I appreciate very much the interest and cooperation of each teacher in helping her group progress toward these aims.

Respectfully submitted,

RUTH F. SAWYER,

Music Supervisor.

REPORT OF SCHOOL NURSE

Canterbury 1941-42

The following report of school examination is made by the School Nurse:

No. pupils examined	95
No. defective vision	6
No. defective teeth	55
No. enlarged tonsils	1
No. enlarged glands	1
No. examined (Audiometer) hearing	68
Communicable Diseases:	
Scarlet Fever	13
Pediculosis	3
No. Pupils not present for Examination	3

At this time I would like to thank all who have made the Hot Lunch program for our schools possible. I feel that this has helped a great deal in maintaining better health in our schools.

Respectfully submitted,

RUTH B. WHITCOMB, R. N.,

School Nurse.
